

Seattle Ferry Terminal Project at Colman Dock

Underlying Project Goals — CAG Perspective

- ❑ Develop project with timelessness in mind
- ❑ Address existing and foreseeable issues
- ❑ Establish ways to uphold and support efficiency in process
- ❑ Maintain rationale for the completion of a “good” project
- ❑ Maintain open lines of communication — dialogue with constituent communities & groups
- ❑ Coordinate with other agencies
- ❑ Build consensus
- ❑ Establish areas for compromise
- ❑ Communicate all CAG perspectives to the community at-large
